Portable Fashion

Lola Style Inc. (Mandalay, 32881 is launching a collapsible shoe that can fold up into a satchet for easy portability in a purse, tote or briefcase. The shoes are constructed of leather and fabric and include details such as Swarovski crystals.

“Lola Style provides a fashionable shoe alternative that conveniently fits into a purse for easy portability,” said **Maria Tartaglia**, co-founder of Lola Style. “I have often

found myself in situations where Lola’s would have been a Godsend, always wishing there were another pair of fashionable shoes handy to forget the pain.” Among the situation-specific styles are Party Lola, Jet-Set Lola, Bridal Lola, Yoga Lola, Spa Lola and Beach Lola.
